

Proposition 39, approved by California voters in the November 7, 2000, general election, provides that the Governing Board of a school district may pursue the authorization and issuance of general obligation bonds by 55 percent vote of the electorate. As a result of the passage of Proposition 39, language was added to the Education Code requiring school districts passing a bond designated as a Proposition 39 bond to establish a Citizens' Oversight Committee ("Committee") to actively review and report on uses of bond proceeds to ensure that they are spent only on school facilities improvements allowed under each bond measure and not for any other purpose. The Committee shall be established within sixty (60) days of the date that the Board enters the election results in its minutes. A school district may also establish a voluntary bond oversight committee for a general obligation bond adopted by a two thirds vote of the electorate.

- b. That, for bonds adopted by a 55 percent vote of the electorate, as prohibited by Article 13A, section 1, subdivisions (b)(3)(A) of the California Constitution, no funds are used for any teacher and administrative salaries or other school operating expenses, except for salaries of bond facilities project administrators paid pursuant to the November 2001 and February 2003 resolutions validated by the Judgment of Validation in the Superior Court of California, Contra Costa County Action No. N03-0216; and
- c. That, for bonds adopted by a two thirds vote of the electorate, funds are used only for the purposes described in Article 13A, section 1, subdivision (b)(2) of the California Constitution including the acquisition or improvement of real property.

#### 2. Committee's Duties

The Committee may engage in the following activities in furtherance of its purpose:

a. Receiving and reviewing copies of the annual performance audits required by Article 13A, section 1, subdivisions (b)(3)(C) of the California Constitution.
